

# BATTERY SPACERS

PROVIDING ADDITIONAL SUPPORT

**Raymond's Battery Spacers minimize excess room within the truck's battery compartment.**

The battery spacers minimize battery movement resulting in a quieter truck operation. Battery spacers are easy to install, with no welding required, and may be done by Raymond or the end user. The battery spacers are available in different sizes and the ends may be modified to create a custom fit.

**For additional support, choose Battery Spacers from Raymond.**

Part Number	Description
950-350/BS1	Battery Spacer, ¼" x 1" x 48"
950-350/BS2	Battery Spacer, ⅜" x 1" x 48"
950-350/BS3	Battery Spacer, ½" x 1" x 48"
950-350/BS4	Battery Spacer, ¾" x 1" x 48"
950-350/BS5	Battery Spacer, 1" x 1" x 48"
950-350/BSTP2	1" Polyurethane Foam Tape, 18 yd.
950-350/BSTP1	1" Double Sided Polyester Tape, 36 yd.
